

## ELDON PRIMARY SCHOOL

### SCHOOL UNIFORM POLICY STATEMENT

At Eldon Primary School we require all children to wear school uniform. This builds a positive identity towards the school and learning. Our school uniform is smart and is completely practical for all daily school activities. We want our children to be recognised in the wider community and to be proud of wearing our uniform. Uniform helps to give the children a sense of belonging and it encourages them to set a good example when representing the school.

Our uniform with logo is available from [www.uniform4kids.com](http://www.uniform4kids.com) or Lyons School Shop. 242 Hertford Rd, Enfield EN3 5BL

All other items can be purchased from Tesco, Asda, Marks & Spencer or other supermarket outlets.

For all items on the uniform list there should no **large** logos or motifs such as stripes.  
Please label all your child's uniform with **NAME AND CLASS**.
